URE at 20th meeting of CEER International Strategy Working Group (ISG)

CEER International Strategy Working Group met for the 20th time on 19 September in Riga. The European Commission Communication on security of energy supply and international cooperation published on 7 September titled “The EU Energy Policy: Engaging with Partners Beyond Our Borders” was the main subject of the meeting. In connection with the Polish Presidency in the EU Council and upon the Group’s request Energy Regulatory Office was represented by Ms Kamila Kloc-Evison - Advisor to the President and Head of European and International Cooperation. Ms Kloc-Evison presented the Calendar of the Polish Presidency in regards to the external energy policy and took part in the discussion on implications of the EU Commission’s statement for energy regulators. ISG made a decision to actively participate in the process of creating the EU’s external relations in the field of energy and in preparing a position on this matter.
